Bater,

For clarity and as you know, I do not have any "debt" as referred below email. I also had no knowledge that that facility was being secured with GNI funds until you shared that with me.

My previous loan was acquired by Genesis. You/ the bank required that they take over my previous loan, which they did, in order for you to provide them with a new facility.

I do not legally have a loan. Nor have I ever had Goodman Networks secure any personal or business debt on my behalf with company funds.

Having said the above. I have no issue securing and assisting with the old loan due to Genesis resecuring its facility and can only take on a certain amount. I believe you and I had that conversation previously.

John

We are not in a position to do that yet. The restructure of the debt was delayed on the genesis side. We hope to have it approved and finish documenting early next week.

The \$3mm line that is.

Your debt is later in the week.

Bater,

I hope you are doing well. I would like to request the funds being held at Prosperity be moved to Goodman Networks or to the bond trustee. Can you please provide me a response on Prosperity's ability based on my request.

John
